## GENERAL PRICE LIST

**These prices are effective as of August 1, 2023, but are subject to change without notice.**

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items that you did not specifically ask for, we will explain the reason in writing on the statement that we provide, describing the funeral goods and service you selected.

### **BASIC SERVICES OF THE FUNERAL DIRECTOR AND STAFF AND OVERHEAD:**

Our fee for the basic services of funeral director and staff to respond to the initial request for service, arrangement conference with family or responsible party, arrangement of funeral, staff assistance prior to, during, and following the funeral or other disposition, preparation and filing of necessary authorization and permits, recording vital statistics, preparation and placement of obituary notices, coordination of third party's providing other portion of the funeral (e.g. cemetery, crematory, and others).

**\$ 1,995.00 \***

### **PREPARATION OF THE BODY:**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

## OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of August 1, 2023, but are subject to change without notice.

The terms “protective” and “non-protective”, which may be found in some printed material provided by the manufacturer, were chosen by the manufacturer and do not constitute or imply a representation or warranty by the funeral home.

Although certain caskets offered for sale by this funeral establishment may be of better-quality construction and comprised of more durable material than others, neither this funeral establishment nor any of its employees or representatives implies that any casket will be airtight or watertight or will provide long-term preservation of human remains.

## RENTAL CASKET PRICE LIST

These prices are effective as of August 1, 2023, but are subject to change without notice.

All Caskets come with a protective encased liner to ensure immaculate reuse. Please note that a rental casket means that it may have been previously used for another service and after each use, the interior lining is replaced or protected before each use. The objective is to provide families with a range of rental caskets, while achieving the desire of a final cremation and reduced costs.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
